How Da Beat Goes

Will Smith

If it's all night, then it's all right, no sunlight
This is how the beat goes on
Big Will, Tra-Knox, so high
This is how the beat goes on
Hoppin', rockin', not stoppin'
This is how the beat goes on
Big Will, Tra-Knox, so high
This is how the beat goes on
It's the busy, bizzi, dizzy, wizzle, bizzon, wizzays, wizzes, Philzles
Back again but with a couple of friends
Thought my reign would end? Well now I'm rubbin' it in
I'm back yes, yes y'allin' back again' ballin'
Out for a couple of years thought I had fallen
You seen me with Denzel and Russ Crowe
But yo the movies is just a chick on the side
I'm in love with the flow
Time off to be an Oscar nominee now
Back to the M.I.C. the M.C. now
Rockin' the old heads, blasin' the youth
Only rappa had the President raisin' the roof
Check the tape, checkmate it's one mission
Make your move don't fight submission
To dawn from dust we on and trust
Just don't miss the bus to jam on wit us come on
If it's all night, then it's all right, no sunlight
This is how the beat goes on
Big Will, Tra-Knox, so high
This is how the beat goes on
Hoppin', rockin', not stoppin'
This is how the beat goes on
Big Will, Tra-Knox, so high
This is how the beat goes on
This is how the beat goes on and, on and on and
Me and Tra-Knox keep keepin' it on and
Jokers ain't stoppin' til the mornin'
So every, everybody come feel this
This union this spirit created from the soul, aw yeah
It's Big Will and Tra-Knox keepin' it real
Tearin' up your gloves, we got what ya want

So you can't out front, everybody get on the floor
Yo, we ain't stoppin' 'til the mornin'
Me and Tra-Knox keep keepin' it on and
If it's all night, then it's all right, no sunlight
This is how the beat goes on
Big Will, Tra-Knox, so high
This is how the beat goes on
Hoppin', rockin', not stoppin'
This is how the beat goes on
Big Will, Tra-Knox, so high
This is how the beat goes on
A hip hop superhero a winno taper a suit
Hit the studio every year or so and escape wit the loot
And on my down time straight to the links
I can pack a dance floor or movie theater a truck from brinks
On Christmas, mom and wife dousin' wit ice
AOL search 'Will Smith' thousands of sites
Then at the club hands clappin', toes tappin'
Sucka I'm the greatest thin' that ever happened to rappin'
Best shape of my life, destined to show ya
No scrapes or fenda-benda's, leave the game total
Free, don't move, hip hop mogul
Philly ain't have A.I, I be the guy to go to
The guy to go to, you know the go-to guy
That make a minute, got that whole crew live, damn
Will done did it again, he done stepped up to the plate
And he done hit it again'
Yo get them hands up
Throw your hands up
Wave them like you don't care
If you like the sound
Then let me hear you say
If it's all night, then it's all right, no sunlight
This is how the beat goes on
Big Will, Tra-Knox, so high
This is how the beat goes on
Hoppin', rockin', not stoppin'
This is how the beat goes on
Big Will, Tra-Knox, so high
This is how the beat goes on
