Very Kind

Will Young

Te de da da da da
Hmm, hmm
You run, you run, but this ain't livin'
You wish you could go back
And begin it all over
But it's over
You fight, you fight, you just keep sayin'
You'll feel better come sooner or later
In no time
It's been a long time
You still got made to turn it
You still got made to lift you up
You got wings but you can't fly
You got so much pain inside
You're very kind
In your dreams you're so high
But you don't live that in your life
You're very kind, you're so kind, hmm
Hmm, you do, you do
You love me baby
I can't fight when you leave me lazy
With your doubts, your doubts, hmm
You try, you try, an' there's no winner
You give, give more
But it just gets harder
In your mind we all try
(Hhh)
You still got time to turn it
You still got made to lift you up
You got wings but you can't fly
You got so much pain inside
You're very kind
In your dreams you're so high
But you don't live that in your life
You're very kind, you're so kind
You believe you're not good enough
It fills your mind, plays
It's in the way of you and I
I'd say a thousand times

I know you're one of a kind
You're so kind
Hm Hm
(Yea, yea)
A yea yea
Amm yea yea
Hey hey yea yea
Hm hm hm
Hm hm hm
Hm hm hm
You de da da da di
You got wings but you can't fly
'Cos you got so much pain inside
You're very kind, yea
An' in your dreams you're so high
But you don't live that in your life
You're very kind, you're so kind, yea
You got wings but you can't fly
You got so much pain inside
You're very kind' yea
An' in your dreams you're so high
But you don't live that in your life
You're very kind, you're so kind
You got wings
Mmm mmm, yea
