Well, uh, I....you my Baby...
You're the Snake Charmer, Baby...
And you look so.....deceivingThough it's true, I've been livin' with a travelin' heart
It was yours, you knew from the very start
I've come to know your risin' fireThough it's true, I've been livin' with a travelin' heart
It was yours, you knew from the very start
I've come to know your risin' fire
Crossed in the dark and slowly cryCome on ridin'
Come on ridin'
Come on ridin'
Come on ridin'I've come to know your risin' fire
I've come to know your risin' fire
Crossed in the dark and slowly cryCome on ridin'
Come on ridin'
Come on ridin' (C'mon'!)
Come on ridin' (C'mon'!)
Come on ridin'Come on ridin'
Come on ridin'
Come on ridin'
Come on ridin'
