Rotting Pinata

Sponge

Get on the rodeo that is your life
Check it outBeat on me
Spill my insides out on the ground
Cut on me
I will go when I say dieI will rot away
I will rot away
I will rot away
Like a rotting pinata, rotting pinata
Rotting pinata, rotting pinataSee my soul
Cuts a hole in the sky
Standing near
Watch the birds eat out my eyesI will rot away
I will rot away
I will rot away
Like a rotting pinata, rotting pinata
Rotting pinata, rotting pinataHere lies this junk, that was me
Here lies this wreck, that was me
Oh, God, help me rot
I don't look quite the sameGrab my beating heart
Take it from this broken cage today, today
I'm rotting, I'm rotting, I'm rotting
I'm rotting, I'm rotting, I'm rotting
I'm rotting, I'm rottingI'm coloring
I'm red and black
I'm twice my sizeDon't cry for me
Just pull the plug
And let me flyI will rot away
I will rot away
I will rot away
Like a rotting pinata, rotting pinata
Rotting pinata, rotting pinataRotting pinata, rotting pinata
Rotting pinata, rotting pinata
