Fun City

Soft Cell

Fun City
I left my home
With a pain in my heart
Not a word of goodbye
To the ones that I loved
I'm taking a train
Away from the rain
To the lights and the smoke
I've got to find my own way nowFun City
To the London Experience
Fun City
To the London Experience
Backward
Forwards
Wearing out the corners
Fun City
Here's my experienceHave no feelings
Have no sex
Wonder who to rip off nextPlayland Scandal
Pocket weighs you down
Machine handle
Goes down
I lose all my money
Trying to make a killing
Can't even make my fare back home
So this is Fun CityHave no feelings
Have no sex
Wonder who to rip off nextI tried to make friends
Tried to make amends
I sunk so low
That it's hard to climb out
I've nowhere to live
But I've so much to give
I found the hard way
What's life all aboutHave no feelings
Have no sex
Wonder who to rip off nextI'm all alone
And I'm lost in this city
Being paraded

Feeling degraded
I wanted love
And I thought this was the way
But I'm only young
And I'm often this wrongHave no feelings
Have no sex
Wonder who to rip off nextI have no morals
Have no innocence
I'm quite straight
Just playing for rent.
