

Beauty Through Broken Glass (Give You My All)

Eyes Set to Kill

Glass hailed from the sky that night
I couldn't hide to save my life.
Standing drenched from open wounds.
You took my hand, and pulled me through. I want to give you everything
Ill give you my all because you gave me
You gave me your lips
A gentle kiss
The medicine to cure my pain Listen to all this glass shatter.
I peirced my ears and made them bleed.
Now sounds so beautiful
Cause you're beatiful.
You're beautiful. I want to give you everything
Ill give you my all because you gave me
You gave me your lips
A gentle kiss
The medicine to cure my pain
