

The River

Imagine Dragons

In the latest midnight hour
When the world has gone to sleep
 You gotta get up
 When doubts begin to rise
 And the world is at your feet
You gotta get upReach, it's not as bad as it seems
 I cleanse in the river for somebody else
 For anyone but myselfI'm not a selfless man
 I'm not a man of wealth
 If I had all the world,
 Probably give it to myself
 But the trees begin to walk
 And the ground begins to talk
And myselfReach, it's not as bad as it seems
 I cleanse in the river for somebody else
 For anyone but myselfHold my place
 Don't you give up on me
Hold on, hold onReach, it's not as bad as it seems
 I cleanse in the river for somebody else
For anyone but myselfReach, it's not as bad as it seems
 I cleanse in the river for somebody else
