

Trip Hoppin

Aerosmith

Yeeeah...

Yak goa goa...

I got a wild thing for you
We're talkin' hoops you got me jumpin' thru
You got those lemon drop martini eyes
And if my karma suits you
Cross the line into another place and time
Tell me how pretty she is
When she turns the colors of the rainbow
One more day with you...trip hoppin'... yeah
One more night with you...no stoppin'
Ain't no smokin' fantasy
'Cuz lovin' you is trippin' to me
You got me psychodelisized
You got my situation bone-a-fide
It took a sunset to get me to see
That all I really needed was your love
To yeah forever shine on me
Promise promiscuity is like waiting for your ex-to-see that
One more day with you...trip hoppin'... yeah
One more night with you...no stoppin'
Yeah yeah yeah
Get my way with you...trip hoppin'
In my kaleidoscope I'm lookin' thru
My only color was a neon blue
I was hangin' on to yesterday
And now the only way out is thru
One more night with you
(One more night with you)
One more day won't do
(One more day won't do)
Yeah
How beyond the rainbow is my
Laying on your emerald pillow
One more day with you...trip hoppin'
One more night with you...no stoppin'
Yeah...yeah
Ain't no smokin' fantasy
'Cuz lovin' you is trippin' to me

One more day with you...trip hoppin'
Trip hoppin' trip hoppin'...
One more night with you... no stoppin'
Trip hoppin' trip hoppin'...
Get my way with you...trip hoppin'
Trip hoppin' trip hoppin'...
One more day with you...trip hoppin'
Trip hoppin' trip hoppin'...
One more night with you
One more day won't do
One more night with you
One more day won't do
One more night with you
One more day
