

# I'm Looking Over A Four Leaf Clover

[Willie Nelson](#)

I'm looking over a four leaf clover  
That I overlooked before  
First is the sunshine, the second is rain  
Third is the roses that bloom in the lane

There's no need explaining  
The one remaining is somebody I adore  
I'm looking over a four leaf clover  
That I overlooked before

I'm looking over a four leaf clover  
That I overlooked before  
First is the sunshine, the second is rain  
Third is the roses that bloom in the lane

There's no need explaining  
The one remaining is somebody I adore  
I'm looking over a four leaf clover  
That I overlooked before, that I overlooked before
