# I Don't Do Don't

## Linda Lewis

Som people don't do stairways
Some people don't do buses
Well, I don't do it their way
And I don't want other buses[CHORUS:]
I don't do don't
When it comes down
I don't do don't
'Cause I do
Ay yi yi yi, I doSome people don't do parties
Some people don't do plays
No need to get downhearted
So many things can changeCHORUSSome people don't do parties
Some people don't do drinks
That don't stop me from dancing
With someone like you, I thinkCHORUSFeels so good
When we're together
It's written in the stars
We can make it forever, yeah, yeah
I don't do don't
I don't do don't
I don't do don't.....
