

# Drown

## Bring Me the Horizon

What doesn't kill you, makes you wish you were dead  
Got a hole in my soul, growing deeper and deeper  
And I can't take  
One more moment of this silence, the loneliness is haunting me  
And the weight of the world's getting harder to hold up It comes in waves, I close my eyes  
Hold my breath and let it bury me  
I'm not okay, and it's not alright  
Won't you drag the lake and bring me home again? Who will fix me now, dive in when I'm down?  
Save me from myself, don't let me drown  
Who will make me fine, drag me out alive?  
Save me from myself, don't let me drown What doesn't destroy you, leaves you broken instead  
Got a hole in my soul growing deeper and deeper  
And I can't take  
One more moment of this silence, the loneliness is haunting me  
And the weight of the world's getting harder to hold up It comes in waves, I close my eyes  
Hold my breath and let it bury me  
I'm not okay, and it's not alright  
Won't you drag the lake and bring me home again? Who will fix me now, dive in when I'm down?  
Save me from myself, don't let me drown  
Who will make me fine drag me out alive?  
Save me from myself, don't let me drown 'Cause you know that I can't do this on my own  
'Cause you know that I can't do this on my own  
'Cause you know that I can't do this on my own  
( 'Cause you know that I can't do this on my own)  
(Who will fix me now?)  
(Who will fix me now?)  
Who will fix me now?  
Dive in when I'm down?  
Save me from myself, don't let me drown
