Imagine

Nico & Vinz

I see your tears in the night
Lay it all on me
You built a wall inside
Just let it fall from me
I feel your pain and lonely
Don't be afraid to show me
Let it rain upon me,Â I'll be here for youI met an old man once
And he said to me
"The only thing that matters
Is what you believe"
If you don't stand for something
You'll fall for anything
In case you're wondering I'll be here for youAye, imagine
Aye, imagineÂ oh oh
Imagine
Could you ever imagine?
Don't give up, don't give in
Gotta fight through all of these fins
Say yeah imagine
Could you ever imagine?Every melody
Can turn into a symphony
Instantly
I know that you were meant for me
Even though it was so hard to see
I knew that we could be
You did the same for me,Â now I'll be here for youAye, imagine
Aye, imagine oh oh
Imagine
Could you ever imagine?
Don't give up, don't give in
Keep goin' until the end
Say yeah imagine
Could you ever imagine?I'm just a humble, little sailor
With too much to prove
But my boat's so small
And the ocean so huge
And I don't wanna go half on a dream
So I need you to be a part of my team
I could never pretend or act like it's just me

Without you where would I be?
ImagineAye, imagine (imagine)
Aye, imagine oh oh
Imagine
Could you ever imagine?
What you've done, now you're here
And you fought through all of your fins
Say yeah imagine
Could you ever imagine?
