

No Winner No Loser

Evison Matafale

â€Ž[Chorus]

â€Žit's in the middle of a dream
â€Žbut I don't scream
â€Žcoz I love the theme
â€Žin which am part of team
â€Žjah the wise said

â€Žwant you to tell the politicians
â€Žas they contend for leadership
â€Žleadership of Africa (yes!)
â€Žthe crying African
â€Žthis a rulling from jah
â€Žwe got no enemy within
â€Žso after the people vote (yes)

â€Žcoz enemy wanna use that
â€Žand instigate the supposed loser

â€Ž

â€ŽAfrica is for every African

and now we got African
then why black against black
tel the people get ready (yes!)
make the sun shine on Africa
let's have a bright Africa
and no black against black

be brave just first put this one

let's just reserve you aside
No no no no no

no no no no
their is no loser
brother your time is gonna come
