Pretty

Traci Lords

Today's my birthday, happy birthday to me
This is my party, where you just happened to be
I've got my crown on, bubbles in my glass
I am the teacher, this is my classI think you're pretty
A delicious view
Come with me
I'll have my cake and eat it tooWrap you up in rhythms
Do what I wanna do
'Cause when I blew all the candles
I miss from youGot a piÃ±ata, I beat it with my hand
I got more rhythm than mariachi band
Eyes on my body, sugar on my cheeks
You're such a hottie (no need to speak)I think you're pretty
A delicious view
Come with me
I'll have my cake and eat it tooWrap you up in rhythms
Do what I wanna do
'Cause when I blew all the candles
I miss from you
