I Don't Care

Shakespear's Sister

Walking through the rooms in my head
I came across your image
You looked at me with that sweet smile
And said something they won't let me repeatWe hurt the ones we love the most
It's a subtle form of complimentI don't care if you talk about me
I don't care if you write it out in stone
Whenever I fall I land on my feet
I don't care, I just don't careMark the spot you hate with an X
Then shoot your bow and arrow
Do your worst, get it all off your chest
I'll hold my breath and swallowWe hurt the ones we love the most
It's a subtle form of disciplineI don't care if you talk about me
I don't care if you write it out in stone
Whenever I fall I land on my feet
I don't care, I just don't careI don't care if you act like a queen
I don't care if you take it out on me
I've got 9 lives and I land on my feet
I don't care, I just don't careOut of the alley, I spoke came Victoria
Queen Victoria sitting shocked upon the rocking horse
"Of a wave", said to the laureate
"This minx a course as sharp as any lynx
And blacker deeper than the drinks"As any Hottentot without remorse for the lynx"
Said she, "and the drinks you can see
Are hot as any Hottentot and not the goods for me
Hot as any Hottentot and not the goods for me"I don't care if you talk about me
I don't care if you write it out in stone
Whenever I fall I land on my feet
I don't care, I just don't careI don't care if you act like a queen
I don't care if you take it out on me
I've got 9 lives and I land on my feet
I don't care, I just don't care
