Good Girl Gone Bad

12

Black side Russian
Head concussion
(Yo tarrus)
Well, who cyan hear dem a go feel mi seh
When you finga mash no badda cry mi seh
Alright den
Dem big inna body and will tell yuh dem ready
Mi nuh need no glass fi see dem force ripe
And thru' bad company some likkle pickney
Nah tek, no talk, a straight road, a street life
Mama likkle princess gone bad
Daddy's likkle angel bruk out
Mama likkle pearl, tell mi
Seh she ready fi di world, walkin' out
Just anodda good girl gone bad
Once she was a good girl but now she gone bad
Story of a good girl gone bad
And she don't know what she have, drivin' the family mad
Good girl gone bad
Once she was a good girl but now she gone bad
Story of a good girl gone bad
And she don't know what she have, drivin' the family mad
She go suh hard, who she impressin'?
The shortest clothes dem she always dress in
She loves to drink, she's into smokin'
And ecstasy, she's already floatin'
Mi seh a whole heap a man dem gyal yah back it up pon
From inna di church, di school bus, di taxi or minivan
And if you follow dem gyal yah, dem mek you bawl
Fi yuh madda from behind the prison bars
Worse if yuh a star nuh gi dem no par
Mama likkle angel gone bad
Daddy's likkle princess bruk out
Mama likkle pearl, a tell mi seh she ready fi di worl
Wha tek dis likkle girl?
Just anodda good girl gone bad
Once she was a good girl but now she gone bad
Story of a good girl gone bad
And she don't know what she have, drivin' the family mad

Good girl gone bad
Once she was a good girl but now she gone bad
Story of a good good girl gone bad
And she don't know what she have, drivin' the family mad
Who cyan hear dem a go feel mi seh
When you finga mash no badda cry mi seh
Who cyan hear dem a go feel mi seh
And when you finga mash no badda cry mi seh
Aright den
Well, dem big inna body and will tell yuh dem ready
Mi nuh need no glass fi see dem force ripe
Tarrus and thru bad company some likkle pickney
Nah tek, no talk, a straight road, a street light
Watch yah, mama likkle princess gone bad
And mi seh daddy's likkle angel bruk out now
Mama likkle pearl, tell mi seh she ready fi di world
Walkin out
Just anodda good girl gone bad
Once she was a good girl but now she gone bad
Story of a good good girl gone bad
And she don't know what she have, drivin' the family mad
Good girl gone bad
She was a good girl gone bad
Dis likkle good good good good girl gone bad
And now she don't know what she have, drivin' the family mad
Who can hear dem a go feel mi seh
When you finga mash no badda cry mi seh, hey
Who can hear dem a go feel mi seh
And when you finga mash no badda cry mi seh
Aright den
