

# Humps, Hooves, and Horns

Bruce Barnes

Humps, Hooves and Horns, Bison Bison  
Humps, Hooves and Horns, That's no buffalo  
Humps, Hooves and Horns, Bison Bison  
Humps, Hooves and Horns, That's no buffalo  
Humps Hooves and Horns  
Humps Hooves and Horns  
Humps Hooves and Horns

Thousands of Years Ago in the ice age  
Bison Anquiquus roamed all over the place  
Standing 8 feet tall, his horns were 6 feet long  
livin' in the Pleistocene you HAD to be strong  
They developed adaptations, they passed them to their kin  
Today we know this animal as a bison  
They got a...

Humps Hooves and Horns

hundreds of years ago, almost sea to sea  
millions of bison roamin' wild and free  
travellin' in their herds sometimes a mile wide  
sacred to many their lives were intertwined  
they provided food, more than a general store  
their medicine was power, story and lore  
they got a...

Humps Hooves and Horns

not so long ago, our country moved out west  
bison were over hunted  
almost none were left  
they needed some protection  
before they disappeared  
lucky for the bison  
a refuge did appear  
Yellowstone was set aside so we could see  
the bison roaming WOOOO! wild and free!  
they got a...
