

When the Body Speaks

Depeche Mode

To the soul's desires the body listens
What the flesh requires keeps the heart imprisoned
What the spirit seeks the mind will follow
When the body speaks all else is hollow I'm just an angel drivin' blindly through this world
I'm just a slave here at the mercy of a girl Oh, I need your tenderness
Oh, I need your touch
Oh, I dream of one caress
Oh, I pray too much To the soul's desires the body listens
What the flesh requires keeps the heart imprisoned
What the spirit seeks the mind will follow
When the body speaks all else is hollow You keep me waiting for the promise that is mine
Please stop debating, please stop wastin' your time Oh, I need your tenderness
Oh, I need your touch
Oh, I dream of one caress
Oh, I pray too much
