## When the Body Speaks

## **Depeche Mode**

To the soul's desires the body listens
What the flesh requires keeps the heart imprisoned
What the spirit seeks the mind will follow
When the body speaks all else is hollowI'm just an angel drivin' blindly through this world
I'm just a slave here at the mercy of a girlOh, I need your tenderness

Oh, I need your touch Oh, I dream of one caress

Oh, I pray too muchTo the soul's desires the body listens What the flesh requires keeps the heart imprisoned

What the spirit seeks the mind will follow

When the body speaks all else is hollowYou keep me waiting for the promise that is mine Please stop debating, please stop wastin' your timeOh, I need your tenderness

Oh, I need your touch Oh, I dream of one caress Oh, I pray too much
