

# Chicago (Cory Rooney) (Original) (99')

## Michael Jackson

I met her on my way to Chicago  
Where she was all alone  
And so was I  
So I asked her for her name She smiled and looked at me  
I was surprised to see  
That a woman like that  
Was really into me She said she didn't have no man  
Raised her kids the very best she can (She was loving me)  
She told me she was all alone  
Said at home she didn't have no phone (She was wanting me)  
She said just to give her a page  
To spend the night was the goal she played (She was loving me)  
She lied to you, lied to me  
Thought she was loving me, loving me  
Yeah I never would've thought she was living like that  
Her words seemed so sincere  
When I held her near  
She would tell me how she feels It felt so real to me  
This girl, she had to be  
An angel sent from heaven just for me She said she didn't have no man  
Raised her kids the very best she can (She was loving me)  
She told me she was all alone  
Said at home she didn't have no phone (She was loving me)  
She said just to give her a page  
To spend the night was the goal she played  
She lied to you, lied to me  
'Cause she was loving me, loving me  
Yeah She tried to live a double life  
Loving me while she was still your wife (She was wanting me)  
She thought that loving me was cool  
With you at work and the kids at school (She was loving me)  
She said that it would never end  
Tried to keep me any way she can (She was wanting me)  
She lied to you, lied to me  
Because she had a family, family  
Yeah Why, oh no  
Alright  
Oh  
(I'm in love, love) I didn't know she was already spoken for

'Cause I'm not that kind of man  
Swear that I would've never looked her way  
Now I feel so much shame  
And all things have to change

You should know that I'm holding her blame  
She said she didn't have no man  
Raised her kids the very best she can (Holding her to blame)  
She told me she was all alone  
Said at home she didn't have no phone (Holding her to blame)  
She said just to give her a page

To spend the night was the goal she played (Holding her to blame)  
She lied to you, lied to me  
Thought she was loving me, loving me (Holding her to blame)  
Yeah She tried to live a double life  
Loving me while she was still your wife (Holding her to blame)  
She thought that loving me was cool  
With you at work and the kids at school (Holding her to blame)  
She said that it would never end  
Tried to keep me any way she can (Holding her to blame)  
She lied to you, lied to me  
Because she had a family, family  
Yeah She said she didn't have no man  
Raised her kids the very best she can (She was loving me)  
She told me she was all alone  
Said at home she didn't have no phone (She was loving me)  
She said just to give her a page  
To spend the night was the goal she played  
She lied to you, lied to me  
'Cause she was loving me, loving me (She was loving me)  
Yeah She tried to live a double life  
Loving me while she was still your wife (She was wanting me)  
She thought that loving me was cool  
With you at work and the kids at school (She was loving me)  
She said that it would never end  
Tried to keep me any way she can (She was wanting me)  
She lied to you, lied to me  
Because she had a family, family  
Yeah
