Hit the City

PJ Harvey

The dark descends through the Promised Land
Down kingdom come and the acid banI'm bad alone, burned inside out
Nothin' to kill it, I hit the cityIn Marianne I dug a hole
And watched her trip on my heart of stoneAnd in the end all that crawled, was my skin
I couldn't kill it, I hit the city
I hit the cityGhost arrives at it's bitter end
To the Promised Land and the dark descendsI'm bad alone, burned inside out
Nothin' to kill it, I hit the city
I hit the city
(I hit the city)
I I I I I hit the city
(I hit the city)
One two three four
(I hit the city)
