

Invincible (feat. Kelly Rowland)

Tinie Tempah

Tinie tempah,
And she, Kelly Rowland
Let's goInvincible, invincible
Invincible, invincible
We're invincibleAh, yeah they said we shouldn't, ah they said we wouldn't
Ah look where we are, we've done what they thought we couldn't
As bad as the odds were looking, push yeah, we kept on pushing
And every time I nearly hit the ground, you were my cushionThere's evidence that proves, that you were heaven
sent
'Cause when I needed rescuin', you were there at my defense
Girl in you I find a friend, you make me feel alive again
And I feel like the brightest star, 'cause you made me shine againNo matter where we are
No matter just how far our paths may lead
We don't need no shields 'cause love is the armor that we need
We're invincible, invincible
Invincible, love's our protector
We're invincible, invincible
Invincible
We're invincibleAh from the wildest water, ah to the highest mountains
Ah she went on forever, even through the driest deserts
You lift me higher than ever, I feel as light as a feather
And when we're fightin' together, we can take on the weatherI will keep you warproof, every single storm you
Ever have to walk through, I will go before you
I will be the voice when you need someone to talk to
Please don't ever doubt me, let me reassure youNo matter where we are
No matter just how far our paths may lead
We don't need no shields 'cause love is the armor that we need
We're invincible, invincible
Invincible, love's our protector
We're invincible, invincible
Invincible
We're invincibleIt's you and I against the world
They can't stop us now
We've come too far
We've worked too hard
We're invincible foreverNo matter where we are
No matter just how far our paths may lead
We're invincibleNo matter where we are
No matter just how far our paths may lead

We don't need no shields 'cause love is the armor that we need

We're invincible, invincible

Invincible, love's our protector

We're invincible, invincible

Invincible

We're invincible
