

With Ears to See, and Eyes to Hear

Sleeping with Sirens

True friends lie underneath,
These witty words I don't believe
I can't believe a damn thing they say, anymore
Lie, liar you'll pay for your sins
Now, liar I know all the places you've been
Forgiveness this taste all but poisons my mouth
I scream but nothing, nothing will come out
You've gone too far
So tell me how does it feel,
How does it feel to be like you?
I think your mouth should be quiet
'Cause it never tells the truth
So tell me, so tell me why,
Why does it have to be this way?
Why can't things ever change?
Falling over, and over again
Oh, why does it have to be this way?
From the place I was, to the place I am, to the place I want to be
For the mountains I've been climbing over and under and over
From the place that I was to the man I've become
I'll be there to see the tower you'll fall from
No this kingdom isn't quite what it may seem
You're an illusion, you'll never be king
So tell me how does it feel,
How does it feel to be like you?
I think your mouth should be quiet
'Cause it never tells the truth
So tell me, so tell me why,
Why does it have to be this way?
Why can't things ever change?
Sometimes things are better left unsaid
But this time you'll get what you give (I can't believe a damn thing they say anymore)
Come down, come down
from your tower
Come down, come down from your tower
I know that for all my life, for all my strength
There is only one above who can judge me
All I am is yours, all I am is yours, I am yours
