

Surrender

The Presets

Oh oh oh oh ay sweat
Oh oh oh oh ay sweat I've gone and spilled it all over myself
This bucket of love
I was sharin' it with my brothers We stuck a photo of my bare head
And sent it to the world
For the thoughts of a million addicts, sweat It won't be forever, it won't be
Remembered, oh ay
Sweat to surrender
It won't be remembered, it won't be
Forever, oh ay
Sweat to surrender
Nothin' will save ya from epic
Behavior oh ay
Sweat to surrender
Huffin' and bouncin' it won't count
For nothin' oh ay
Sweat to surrender Follow me the deeper I go
I'm beggin' for more
As I dance over all my yesterdays Black feline knockin' at my door
It's a kitty for one end
Askin' how can I loose the memory
Of sucker dash sufferin'
Sweat to surrender It won't be forever, it won't be
Remembered oh ay
Sweat to surrender
It won't be remembered, it won't be
Forever oh ay
Sweat to surrender
Nothin' will save ya from epic
Behavior oh ay
Sweat will sustain ya
Huffin' and bouncin' it won't count
For nothin' oh ay
Sweat to surrender Down I fall
With everything I used to know
And if you even looked down my face
Before I ever felt so oh my gee eff ah ooh Oh oh oh oh ay sweat
Oh oh oh oh ay sweat It won't be forever, it won't be
Remembered oh ay

Sweat to surrender
It won't be remembered, it won't be
Forever oh ay
Sweat to surrender
Nothin' will save ya from epic
Behavior oh ay
Sweat will sustain ya
Huffin' and bouncin' it won't count
For nothin' oh ay
Sweat to surrenderIt won't be forever, it won't be
Remembered oh ay
Sweat to surrender
It won't be remembered, it won't be
Forever oh ay
Sweat to surrender
Nothin' will save ya from epic
Behavior oh ay
Sweat will sustain ya
Huffin' and bouncin' it won't count
For nothin' oh ay
Sweat to surrender
