

# Haven't Had Enough

## Marianas Trench

Testing, testing, I'm just suggesting  
You and I might not be the best thing  
Exit, exit, somehow I guessed it right, right  
But I still want ya, want ya, don't mean to taunt ya  
If you leave now, I'll come back and haunt ya  
You'll remember, return to sender now, now Well I just wish we could go back one more time and begin it  
Back before I lost myself somewhere, somewhere in it We've been stuck now, so long, we just got the start wrong  
One more last try, Imma get the ending right  
You can't stop this, and I must insist  
That you haven't had enough  
You haven't had enough  
Stuck now, so long, we just got the start wrong  
No more last place, you better get your story straight  
You can't stop this, and I must insist  
That you haven't had enough  
You haven't had enough I still, need ya, need ya, don't mean to tease ya  
If ya want me, I'll come back and meet ya  
Whisper, whisper, you must admit you want it  
You, you want it Well I just wish we could go back one more time and begin it  
Back before I lost myself somewhere, somewhere in it We've been stuck now, so long, we just got the start  
wrong  
One more last try, Imma get the ending right  
You can't stop this, and I must insist  
That you haven't had enough  
You haven't had enough  
Stuck now, so long, we just got the start wrong  
No more last place, you better get your story straight  
You can't stop this, and I must insist  
That you haven't had enough  
You haven't had enough Don't you need it?  
Don't you want this at all?  
(Testing, testing, I'm just suggesting)  
Don't you need it?  
Don't you want this at all?  
(Testing, testing, I'm just suggesting) Stuck now, so long, we just got the start wrong  
One more last try, Imma get the ending right (You and I)  
You can't stop this, and I must insist  
That you haven't had enough (You haven't had enough)  
That you haven't had enough (You haven't had enough)

Stuck now, so long,  
We just got the start wrong  
No more last place, (Another place) You better get your story straight  
You can't stop this (Don't you need it?)  
And I must insist  
That you haven't had enough (Don't you want this all)  
That you haven't had enough Testing, Testing, I'm just suggesting  
You and I might just be the best thing
