

Oh You Did (feat. Robin Goldwasser)

They Might Be Giants

Don't accidentally do things you'll later regret
Oh no, you did
Some things can't be taken back
Don't do them
Too late, you did Don't say these words to your dad
That he's gross or that he smells bad
Don't spill ink on the rug
Don't hammer the wall
Oh no, you did Why won't you take directions
Or listen to instructions?
Now you're informed and you've been warned
So don't
Oh wait, you did
Sorry, sorry
Don't be angry
I didn't mean to do it
I swear I'll never do that again Don't drop eggs from the 14th story window
Oh, you did
Really, you should not go anywhere high up and drop an egg
Like the Pyramids of Giza
Or the Leaning Tower of Pisa
You know what? Don't drop anything from anywhere
Too late, you did How did the carton of milk get filled with shaved off puppy hairs?
What's that river of water doing pouring down the stairs?
Did you just eat a napkin
To find out what would hap-kin?
I thought I told you not to
But you had to
And you did
Sorry, sorry
Don't be angry
I didn't mean to do it
I swear I'll never do that again
