

Lately Stomping

Reef

Oh yeah, alright Lately, I have not been treated gently by myself
I have been over used, ripped off and abused
Stomping in my shoes, well no more, hey Think of your family, home is the place to be
Think of your family once more, hey
Think of your family, home is the place to be
Think of your family once more, alright now Oh yeah, alright, babe Lately, all my clothes have been so dirty and
threadbare
They have been over used, my heart battered and bruised
Thankless for my views, well no more Think of your family, home is the place to be
Think of your family once more, yeah
Think of your family, home is the place to be
Think of your family once more 1,2,3,4
Been around the world, and there is nothing that I wouldn't do
Just to see the smile upon your face
Been around the world, and there is nothing that I wouldn't do
Just to see the smile upon your face Think of your family, home is the place to be
Think of your family once more
Think of your family, home is the place to be
Think of your family once more Alright
