

Follow Me

Patty Shukla

Follow Me, follow me
Let's do something crazy
Follow me, follow me
Everybody start now, 1, 2, 3!
First move forward, then move back
123 Forward
123 Back
8Xs
Follow Me, follow me
Let's do something crazy
Follow me, follow me
Everybody start now, 1, 2, 3!
Now let's add knee up, knee up.
123 Forward
123 Back
Knee Up, Knee Up
Knee Up, Knee Up (repeat)
Clap your hands and sing with me!
Follow Me, follow me
Let's do something crazy
Follow me, follow me
Everybody start now, 1, 2, 3!
Now let's add a Criss Cross
123 Forward
123 Back
Knee Up, Knee Up
Criss Cross (repeat)
Clap your hands and sing with me!
Follow Me, follow me
Let's do something crazy
Follow me, follow me
Everybody start now, 1, 2, 3!
Now let's add a Clap clap
123 Forward
123 Back
Knee Up, Knee Up
Criss Cross
Clap, clap. (repeat)
We did it!

Follow Me, follow me
We did something crazy
Follow me, follow me
Everybody SIT DOWN 1, 2, 3!
