

Susie (Dramas)

Elton John

I got frostbitten in the winter
Ice skating on the river
With my pretty little black-eyed girl
She'd make your darn toes curl just to see her yeah I got a fringe front on my buggy
I got a frisky little colt in a hurry
And a pretty little black-eyed Suzie by, by, by my side Well she sure knows how to use me
Pretty little black-eyed Suzie
Playing hooky with my heart all the time
Living with her funky family
In a derelict old alley
Down by the river where we share a little loving in the moonshine I'm an old hayseed harp player
I'm the hit of the county fair
With my pretty little black-eyed girl
Living proof as she swirls
She's a dancer, oh yeah I got a fringe front on my buggy
I got a frisky little colt in a hurry
And a pretty little black-eyed Suzie by, by, my side Well she sure knows how to use me
Pretty little black-eyed Suzie
Playing hooky with my heart all the time
Living with her funky family
In a derelict old alley
Down by the river where we share a little loving in the moonshine Well she sure knows how to use me
Pretty little black-eyed Suzie
Playing hooky with my heart all the time, yeah
Living with her funky family
In a derelict old alley
Down by the river where we share a little loving in the moonshine Well she sure knows how to use me
Pretty little black-eyed Suzie
Playing hooky with my heart all the time
Living with her funky family
In a derelict old alley
Down by the river where we share a little loving in the moonshine
