

That Old Feeling

Anita O'Day

Last night I started out happy
Last night my heart was so gay
Last night I found myself dancing
 In my favorite cabaret
 You were completely forgotten
 Just an affair of the past
Then suddenly something happened to me
And I found my heart beating, oh, so fast I saw you last night and got that old feeling
 When you came in sight I got that old feeling
 The moment that you danced by I felt a thrill
And when you caught my eye my heart stood still
 Once again I seemed to feel that old yearning
 And I knew the spark of love was still burning
There'll be no new romance for me, it's foolish to start
For that old feeling, is still in my heart I saw you last night and got that old feeling
 When you came in sight I got that old feeling
 The moment that you danced by I felt a thrill
And when you caught my eye my heart stood still
 Once again I seemed to feel that old yearning
 And I knew the spark of love was still burning
There'll be no new romance for me, it's foolish to start
 For that old feeling, is still in my heart
