

Doin You

Teedra Moses

Check out my melody VERSE 1 How'd I get to this state, needin' you so bad it's all over my face

I'm too cool for this, gotta face

Tryna play him for a ride but I can't keep my pace

With you, I feel, I can be me

With you, I feel, life is real Chorus

All I'm really doin' is you (that's what I'm about)

Makin' you my number one (that's what I'm about)

And if we fall in love (It's even better boy)

All I'm really doin' is you (that's what I'm about, that's what's up) ooh ah, ooh rock VERSE 2 How'd I make it
this far, without breakin' down and givin' you all my love

I'm so over this, bein alone

So I'm thinkin' that maybe we, can become one

With you, I feel, I can be me

With you, I feel, life is real Chorus I'm doin' you (that's what I'm about)

Makin' you my number one (that's what I'm about)

And if we fall in love (It's even better boy)

'cause all I'm really doin' is you (that's what I'm about, that's what's up) ooh ah, ooh rock Check out my melody

2x Chorus All I'm really doin' is you (that's what I'm about)

Makin' you my number one (that's what I'm about)

And if we fall in love (It's even better boy)

All I'm really doin' is you (that's what I'm about, that's what's up) Only doin' you (that's what I'm about)

Makin' you my number one (that's what I'm about)

And if we fall in love (It's even better boy)

All I'm really doin' is you (that's what I'm about, that's what's up) And that's what's up
