

Footsteps In the Dark

The Isley Brothers

Remember those walls I built
Well Baby they're tumbling down
And they didn't even put up a fight
They didn't even make a sound
I found a way to let you in
But I never really had a doubt
Standing in the light of your halo (oh oh)
I've got my angel now
It's like I've been awakened
Every rule I had you breaking
It's the risk that I'm taking
I ain't never gonna shut you out
Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving grace
You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade away
I can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo
I can see your halo halo halo
Fresh off the plane I'm off to Baseline
Nothing handed out, I'm about to take mine
Around the same time of that Blueprint 1
And these beats in my pocket was that blueprint for him
I'd play my little song in that old back room
He would bob his head and say, damn, oh, that's you
But by The Black Album I was blacking out
Party at S.O.B's and we had packed the crowd
Big brother got his show up in Madison Square
And I'm like yea, yea we gonna be there
But not only did I not get a chance to spit it
Carleen told me I could buy two tickets
I guess big brother was thinking a little different
And kept little brother at bay, at a distance
But everything I felt was more bogus
Only made me more focused, only wrote more potent

Only thing I wanna know is why I get looked over
I guess ill understand when I get more older
Big brother saw me at the bottom of the totem
Now I'm at the top and everybody on the scrotum Everywhere I'm looking now
I'm surrounded by your embrace
Baby I can see your halo
You know you're my saving grace
You're everything I need and more
It's written all over your face
Baby I can feel your halo
Pray it won't fade away
I can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo
I can see your halo halo halo
I can feel your halo halo halo
I can see your halo halo halo Have you ever walked in the shadow of a giant
Not only a client, the presidito, Hola Hovito
The game getting foul, so here's a free throw
I was always on the other side of the peep hole
Then I dropped Jesus Walks now I'm on a steep hole
And we know
New jack city gotta keep my brother
But to be number 1, I'm a beat my brother
On that Diamonds remix I swore I'd spaz
Then my big brother came through and kicked my
Sibling rivalry, only I could see
It was the pride in me that was driving me
At the Grammys I said I inspired me
But my big brother who I always tried to be
When I kick a flow it was like, pick and roll
'Cause even if he gave me the rock, its give and go
I guess Beanies style was more of a slam dunk
And my **** was more like a finger roll
but I had them singles though
And them **** at the show gonna mingle yo
Y'all know
I told Jay I did a song with Cold Play
Next thing I know he got a song with Cold Play
Back in my mind I'm like.... no way
Translate espaÃ±ol
No way Jose
Then I went and told J Brown

Should of known that was gonna come back around
Should of told you like a man, should of told you first
But I told somebody else and that's what made shit worse
