## Zap Mama

Gbo gba nso matane  
N' gbo n' gbo ha  
Gbo gba nso matane  
He, heI play my station  
At the start of the game  
I never give my nameI grant myself  
These very special powers  
The virtual powdersNow I'm surfing  
I'm jumping  
I'm crawling  
And I'mAs I progress through the games  
I get my virtual powers  
The virtual powers, powdersNow I'm surfing  
I'm jumping
