

Hole In One

Gotthard

C' Mon Let's Shake 'em
Yeah , I Wake Up In The Morning
With A Big Mess In My Brain
I Try Hard To Remember
Strives Are All In VainBut That'S Alright, Alright
I'M A Lucky Man
That'S What I AmThere'S One Chance In A Million
Just Like A Hole In OneWhen I Get Right Into Trouble
Water To My Chin
I Turn The Wheel Of Fortune Babe
And Get Another SpinAnd That'S Alright, Alright
Sounds Good To Me, Good To MeThere'S One Chance In A Million
Just Like A Hole In One...Keep That Bad Boy Turnin' RoundBaby Baby Baby
I've Been Loosin' My Mind
Yeah Since I've Been Loosin' You.....
