

# Face Up to It

## Warzone

All my life - in my dreams - i feel the pain  
all my life - in my dreams - i feel the pain  
it's in your schools - in your system - in your society  
and it's something that i can't forget  
think you're slick - but that's O.K.  
you'll never brainwash me anyway  
but still you try every day  
i know what i want - it's not what you need  
i won't be your future seed!  
all my life - in my dreams - i feel the pain  
all my life - in my dreams - i feel the pain  
it's in your streets - in your homes - in your jails  
and it's something that i can't forget  
think you're slick - but that's O.K.  
you'll never brainwash me anyway  
it's a lie - it's a lie - it's a lie  
i know what you want and - it's a lie  
you can't even look at me - eye to eye  
i can see right through you - in every way!
