

Honey Hush! (Talking Woman Blues)

Albert Collins

Oh honey hush, you know you talk too much
Oh honey hush, you know you talk too much
Just listenin' to your conversation, just about to separate us
You start talkin' in the morning, you talk all day long
I'm figuring out what I did wrong
Cuz' you talk so much, yes you talk so much
Just listenin' to your conversation, just about to separate us
I stay out all day, you know I hate to come home
Everything I do baby, seems to be wrong
Cuz' you talk so much, yes you talk so much
Just listenin' to your conversation, just about to separate us
I can't eat, I can't sleep, I can't rest in peace
I'll be better off, walkin' the streets
Cuz' you talk so much (now what's the matter with you), yes you talk so much
Just listenin' to your conversation, just about to separate us
