Someone's Hero

The Artichokes

Verse
Well Ive got needs
Somebody help Im on my knees
Ive barely got the strength to see with my eyesWell Ive got science
In other words but Im just lying
Can barely see beyond the tears that she criesChorus
I had a dream that everything was fine
I swear she said that she would be alright
And oh my eyes saw clearer
And I was someones heroVerse
Well Ive got you
And youve got someone to cling to
I cant believe I see you here with my eyesIve got this wrong
Cant fix it now its been too long
Wish I could stop all the tears that she criesChorus x 2
