Dirty Water

Niva

Come on, deny
Come on, reply sometimes
Your thoughts are clear
But you're not here. Right?Come on and laugh
Come and pass that grass
When the mist appears
No conscious, no fear. Right?But you complain about it all
But you should close your mouth
Close your mouthWhat have we done?
We've done nothing
So what we've become?
Become nothing
What have we done?
We've done nothing
So what we've become?
Become nothingCome on, deny
Come on, reply sometimes
Your thoughts are clear
But you're not here. Right?Come on and laugh
Come and pass that grass
When the mist appears
No conscious, no fear. Right?But you complain about it all
But you should close your mouth
Close your mouth
What have we done?
We've done nothing
So what we've become?
Become nothingWhat have we done?
We've done nothing
So what we've become?
Become nothing(ah)
Become nothing
(ah)
Become nothing
(ah)
Become nothing
(ah)
