

# Dirty Water

## Niva

Come on, deny  
Come on, reply sometimes  
Your thoughts are clear  
But you're not here. Right?Come on and laugh  
Come and pass that grass  
When the mist appears  
No conscious, no fear. Right?But you complain about it all  
But you should close your mouth  
Close your mouthWhat have we done?  
We've done nothing  
So what we've become?  
Become nothing  
What have we done?  
We've done nothing  
So what we've become?  
Become nothingCome on, deny  
Come on, reply sometimes  
Your thoughts are clear  
But you're not here. Right?Come on and laugh  
Come and pass that grass  
When the mist appears  
No conscious, no fear. Right?But you complain about it all  
But you should close your mouth  
Close your mouth  
What have we done?  
We've done nothing  
So what we've become?  
Become nothingWhat have we done?  
We've done nothing  
So what we've become?  
Become nothing(ah)  
Become nothing

Become nothing

Become nothing
