

Sitting Here Watching

[Mike Cooper](#)

sitting here, watching just to feel my days to go
And I'll be on my way again
I keep going 'round and 'round
But each time it's getting better
Out here and on my way again
Sitting here, watching for the days that's just ahead
And I'll be out there on my own
Know my going 'round and 'round
Waiting for it to get better
Out here and on my way again
I'll throw you pennies as you play guitar
Out here and on my way again
But you don't ever, ever seem to care
You say that I'm not going anywhere
Out here and on my way again
I'll throw you pennies as you play guitar
Out here and on my way again
But you don't ever, ever seem to care
You say that I'm not going anywhere
Out here and on my way again
