

# It's Been A Long Time

## Felix da Housecat

Its been such a long time  
I saw your face.  
It would be so nice  
Looking for to see you.  
Its been such a long time  
I saw your face. When will we meet again?  
When will we meet again? Its been such a long time  
I saw your face  
It would be so nice  
looking for to see you.
