

# Do You Believe In Magic

Aly & AJ

Do you believe in magic? In a young girl's heart  
How the music can free her whenever it starts  
And it's magic if the music is groovy  
It makes you feel happy like an old time movie I'll tell ya about the magic, it'll free your soul  
But it's like trying to tell a stranger 'bout a rock n' roll If you believe in magic, don't bother to choose  
If it's jug band music or rhythm and blues, just go and listen  
It'll start with a smile, it won't wipe off your face  
No matter how hard you try Your feet start tapping and you can't seem to find  
How you got there, so just blow your mind Do you believe in magic? Come along with me  
We'll dance until morning, just you and me  
And maybe, if the music is right  
I'll meet ya tomorrow so late at night We'll go a dancin' baby then you'll see  
All the magic's in the music and the music's in me, yeah Do you believe in magic? Yeah  
Believe in the magic of a young girl's soul  
Believe in the magic of a rock n' roll  
Believe in the magic that can set you free  
Ohh, talkin' bout magic (Do you believe like I believe?)  
Do you believe in magic?
