Paul Wall

Y'all don't know a thing about my life
(My life)
My life
(My life)
Y'all don't know a thing about my life
(My life)
My life
(My life)Y'all don't know a thing about my life
(My life)
My life
(My life)
Y'all don't know a thing about my life
(My life)
My life
(My life)In my life, a lot of haters talking shit
And I might, expose you hoes you out this bitch
And I ride, with the nine I won't fall or slip
If I die, they still will not get off my dickBut I'll try, to survive like Destiny's Child
And I smile, 'cause they been trying to test me a while
But I cry, 'cause not all my partnas alive
But I smile, 'cause I know all my partnas with GodIn my life, a lot of haters baller blocking my shine
I stay calm even though I ought to drop 'em a nine
In my life, I make cash using hoes
And my Sprite, is purple so I'm moving slowOn my side, my dogs moving rocks and hay
And I slide, by how I'm chopping blades
When I drive, I got a big cup of syrup
When I glide, I ride with a couple birdsIn my life, I feel like I stand alone
But you still wouldn't leave out of San Anton'
When I die, don't cry get high for me
So you can feel like you flying in the sky with meY'all don't know a thing about my life
(My life)
My life
(My life)
Y'all don't know a thing about my life
(My life)
My life
(My life)Y'all don't know a thing about my life
(My life)
My life

(My life)
Y'all don't know a thing about my life
(My life)
My life
(My life) In my life I went from a straw hat to a crown
I been through a few up's and a whole lot of downs
I take the good with the bad, however the ball bounce
And lately I've been walking on dangerous ground It feels like my own partnas don't want me around
'Cause everybody in my crew be trying to argue me down
They telling me I changed and I'm not the same
But for the past three years I've been saying the same thang I've done a lot of dirt but I don't brag about it
And since I don't rap about it, you don't know jack about it
People see me being friendly and they think they know me
But just 'cause I shake your hand, don't mean you my homie I got a personality complex, man I'm so complex
But if you come with plex this ain't fun plex
I'm walking straight but my mind's in a maze
The only thing that I'm afraid of is being afraid I done stared death in the face, I ain't budge one inch
He here beating up myself and I still don't flinch
Somebody pinch me I hope I'm dreaming
I'm searching inside my heart trying to find the meaning of my life Y'all don't know a thing about my life
(My life)
My life
(My life)
Y'all don't know a thing about my life
(My life)
My life
(My life) Y'all don't know a thing about my life
(My life)
My life
(My life)
Y'all don't know a thing, about my life
(My life)
My life
(My life) Y'all don't know shit about my life
It ain't all about the hoes, gold and ice
I go from down to up, up to down
In a blink of an eye, smiles turn to frowns Kings get crowned, the rich get rich
Where everybody live screaming life is a bitch
I ball in the mix and keep to myself
I don't just wanna be another book on the shelf A lot of y'all fakers, faking the game
I'm one of the real niggaz that's bringing the pain
I've seen hard times, so I spit hard rhymes
I've been around different people of all kinds And to this day I got a few riddle friends
Too many of y'all that's so fake and pretend
To be what you not that's why you get got

Don't fuck with my life that's all that I got
My life, my life, my life, my life is all I got
Fuck with
My life, my life, my life, my life and you will get dropped
Y'all don't know shit about my life
(My life)
My life
(My life)
Y'all don't know shit about my life
(My life)
My life
(My life)
Y'all don't know shit about my life
(My life)
My life
(My life)
Y'all don't know shit about my life
(My life)
My life
(My life)
