

In the Spirit

[Ann Nesby](#)

In the spirit, in the spirit
In the spirit, in the spirit Dawn of a new day
Everything's gonna be okay
'Cause I corrected my attitude
And you best believe now I'm 'bout to move In the spirit, in the spirit
In the spirit, in the spirit Standin' on shaky ground
My life was filled with so many ups and downs
Till I found the strength to face another day
Now I'm in the spirit, spirit shows the way, yeah This joy that I have, comes from deep down inside
Can't keep it to myself, it's impossible to hide
I wanna spread it all around
Come on in the spirit, let's reach for higher ground In the spirit, in the spirit, in the spirit
If you wanna stand in my way
Come one and make my day
'Cause I'm in the spirit, in the spirit
In the spirit, in the spirit I'm in the spirit, oh yeah, oh yeah, yeah yeah
Oh yeah, oh yeah, oh yeah This joy that I have, comes from deep down inside
Can't keep it to myself, it's impossible to hide
Oh, my body feels so light, tonight I'm gonna dance
Dance, dance, dance, dance all night, oh yes, I am, ooh If you want to stand in my way
Come on and make my day
In the spirit, in the spirit
In the spirit, in the spirit Get your spirit right
It can make you dance all night
Get your spirit right
It can make you dance all night In the spirit
In the spirit
In the spirit
