

Good Time Feeling (Dickey Betts & Great Southern)

The Allman Brothers Band

Well, I've been around for a pretty good while
I've been on the move since I was just a little baby child
Been with, I've been without, never been no doubt
When that good time feelin' comes around Well, I've got my temper, just like you
A little fussin' and fightin', well that ain't nothing new
But for a little while tonight, everything gonna be all right
When that good time feelin' come around, yeah Well, I can't get enough of that wonderful stuff
Never felt so fine, hey now, drivin' me out of my mind Somebody said it can't be done
We're gonna mess around and have a little fun
When that good time feelin' comes around, yeah
[Incomprehensible] Well, I can't get enough of that wonderful stuff
Never felt so fine, hey now, drivin' me out of my mind Somebody said it can't be done
We're gonna mess around and have a little fun
When that good time feelin' come around
When that good time feelin' come around
When that good time feelin' come around, oh yeah
