

Walk on Water

Ira Losco

AHH

AHHI've been fading into grey

 Trying to be someone

Trying to please someoneI've been painting bitter blue

 Always hitting walls

Always trying to break the fallI'm not perfect

 But I'm A ok

 Chasing off the clouds

 I lock the blues away

I lock the pain awayI can't get enough of your love

 I can't get you out of my heart

 I can't get enough of your love

'Cause i-i-i-IFeel like I can walk on water

 On water, On water

 And now i'm gonna walk on

 water, On water, On water

Feels like I can walk on waterI've been trying hard to hear

 what my heart wants to say

Letting it lead the wayI'm not perfect

 But I'm A ok

 Chasing off the clouds

 I lock the blues away

I lock the pain awayI can't get enough of your love

 I can't get you out of my heart

 I can't get enough of your love

'Cause i-i-i-IFeel like I can walk on water

 On water , On water

And now i'm gonna walk onOoh ooh ooh

 All I wanna do is

 Ooh ooh ooh

 Keep walking on water

 Ooh ooh ooh

 All I wanna do is

Walk on waterOohI can't get enough of your love

'Cause i- i-i-IFeel like I can walk on water

 On water, On water

 And now i'm gonna walk on

 water On water on water

 Feel like I can walk on water
