

# Sandpaper

Fozzy

A cat-scratch, a whiplash, a witch hunt in black, SandpaperSandpaper tears at my skin, grinding the state I'm in  
Millstone my heart it scrapes, grabbing the soul that bleeds within  
Abrasive wounds that never heal, bleeding emotions are hard to feel  
Evasive sounds of true bliss calling  
Mauling your paramour's kiss revealedSomething happens when the dark meets the light,  
Something happens when you start up the fight,  
Something happens when the sun turns to grey  
Something happens when you scare the monsters awayA cat-scratch, a whiplash, a witch hunt in black,  
SandpaperFlash paper burns to the bone, melting away without a moan  
Blowtorch my brain away, theres nothing left for me to pray  
Eroding all that Ive become, taking and breaking all that I've won  
Decoding thoughts within my mind, bleeding and feeding what I might findSomething happens when the dark  
meets the light,  
Something happens when you start up the fight,  
Something happens when the sun turns to grey,  
Something happens when you scare the monsters away.Something happens when the dark meets the light,  
Something happens when you start up the fight,  
Something happens when the sun turns to grey  
Visions happen that scare us awaySomething happens when the dark meets the light,  
Something happens when you start up the fight,  
Something happens when the sun turns to grey,  
Something happens when you scare the monsters away.A cat scratch,  
A whiplash,  
A witch hunt in black...  
Sandpaper.Sandpaper.A cat scratch,  
A whiplash,  
A witch hunt in black...  
Sandpaper.Sandpaper.
