

# 2 Hearts (DirtyHands 'Freemasons RTA' Edit)

[Kylie Minogue](#)

You make me invisible  
Like sky you make my day  
And I feel so wonderful  
Oh, oh, oh, don't let go I'm seeing the dark of you  
It feels like I never saw the sun  
Should I shout for a rescue?  
Oh, oh, oh, don't let go  
Oh, oh, oh, don't let go 2 hearts are beating together  
I'm in love, I'm in love  
Is this forever and ever?  
I'm in love, I'm in love  
2 hearts are beating together  
I'm in love, I'm in love  
Is this forever and ever?  
I'm in love, I'm in love Looks good in sunshine  
Well, hold on 'cause I'm coming up for air  
And I can't even see up here  
Oh, oh, oh, don't let go  
Oh, oh, oh, don't let go 2 hearts are beating together  
I'm in love, I'm in love  
Is this forever and ever?  
I'm in love, I'm in love 2 hearts are beating together  
I'm in love, I'm in love  
Is this forever and ever?  
I'm in love, I'm in love  
2 hearts  
I'm in love, I'm in love  
Is this forever and ever?  
I'm in love, I'm in love  
2 hearts
