Smells Like Teen Spirit

Robert Glasper

Load up on guns, bring your friends
It's fun to lose and to pretend
She's over-bored and self-assured
Oh no, I know a dirty wordHello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, helloWith the lights out, it's less dangerous
Here we are now; entertain us
I feel stupid and contagious
Here we are now; entertain usI'm worse at what I do best
And for this gift I feel blessed
Our little group has always been
And always will until the endHello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello, how lowWith the lights out, it's less dangerous
Here we are now; entertain us
I feel stupid and contagious
Here we are now; entertain us
A mulatto, an albino, a mosquito, my libido
Yeah, heyAnd I forget just why I taste
Oh yeah, I guess it makes me smile
I found it hard; it's hard to find
Oh well, whatever, never mindHello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, hello, how low
Hello, hello, helloWith the lights out, it's less dangerous
Here we are now; entertain us
I feel stupid and contagious
Here we are now; entertain us
A mulatto, an albino, a mosquito, my libido
With the lights out, it's less dangerous
Here we are now; entertain us
I feel stupid and contagious
Here we are now; entertain us
A mulatto, an albino, a mosquito, my libido
