Kamala's Too Nice

Screeching Weasel

She took me into her lovely home
Called Nicaragua on the phone
Read Art of Loving by Erich Fromme
She made enchiladas for me, man
I won't take advantage of her
And I won't even ask her to book my bandKamala's too nice, I'm such a dick
Kamala's too nice and I'm a pig
Kamala's too nice, she makes me sickI sit in her apartment acting rude
Eat mashed potatoes in the nude
She don't care cause she's totally way rad, dude
I keep her television on all night
And then I start up a fight
And tell her she's wrong cause I'm always right
